Have Me The Way I Am

Jen woke up to the feeling of the cold air. It was a sunny, but chilly October morning. Jen and her boyfriend, Omar, were lying in bed, naked, while a blanket was covering them. She got up, gently opened the bedroom curtains, and turned on the electric heater. She got back in bed, kissing Omar and saying, "Good morning." Omar said it right back. It was his day off from work. "It's cold in here," he said, "maybe we should warm up together." They kissed as a sign of agreement. "Do you

want to eat my pussy, baby?" she asked. "I do," he responded. Omar hid under the blanket and gave soft kisses to her sex. He then began to lick her sex, enjoying the goosebumps he had alongside Jen. She felt the weight of his enjoyment. "Fuck, you're so good at eating my pussy!" Jen cried. He was caught up with tasting her moist vagina, she had a wonderful feeling inside her. "Oh, you're going to make me cum." Her groans and holding Omar made the

experience intense, she came all over his face. "How does my cum taste?" she asked. "So fucking good." Omar got out, laid back, and saw Jen disappear in the blanket to lick his sex, from the scrotum to the tip of the penis. She then inserted his penis into her mouth, sucking it the way he ate her. "Oh, I know you love my cock." He felt her mouth rushing with passion. Suddenly, she stopped. "Please fuck me," she cried, "I want to cum all over your cock." He engaged.

They began in missionary. Omar slipped his penis into her vagina. He felt how tight she was at the beginning. "Your cock is so perfect for my pussy." She said so, feeling her moisture increase from his member inside her sex. Omar thrust fast and hard until Jen came, and he tapped his penis on her sex to make her come harder. He then eats her vagina, to taste the product of their intercourse. "You taste so fucking good," he said. "I want to ride you." They go into

reverse cowgirl. She enjoyed every inch of him going back and forth, going faster as he grew excited to make her come. Jen did just that. Slipping in, she said, "Give it back to me. Give it back." Onward they indulge in each other's sex, Jen moaned uneasy and pleased. They go back to missionary, where she softly cried, "I want you to use me until you cum." "Yeah? Is that what you want from me?" Omar always had that soft spot for his girlfriend, he knew how

to press the right buttons. Every time she cried "Please," he got closer to coming. And then, he pulled out and came all over her sex. She was turned on by that, when he tapped his sex onto hers, she came with madness. They then made out. "I love fucking you so much," he said. "We should keep doing it all month," she responded.
